

A person in a red hoodie stands on a rocky mountain peak, looking out over a vast, forested valley. The scene is bathed in the warm, golden light of a low sun, creating a hazy, atmospheric effect. The valley below is filled with dense green trees and rolling hills, with a small town visible in the distance. The overall mood is one of tranquility and contemplation.

# Major Trends Impacting Collections Companies

## 1. Shift away from live agents.

Digital

Reduction in traditional on-phone support in favor of digital channels.

Automation

Increase in availability and sophistication of automated solution substituting the need for live agents.

Personal  
relationship &  
interaction

For remaining agents, continuous departure from cost focus to customer experience shifting more employees to in-house (vs. out-sourcing).

## 2. Increasing client needs requiring investment.

Multichannel

Clients demand of multichannel support require investment in additional infrastructure and talent.

Surge of new  
technologies

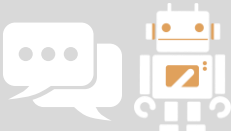

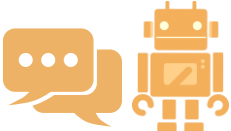

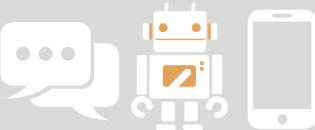

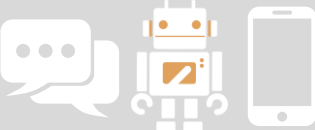

Increased demand for advanced IT, advanced analytics and machine learning-based tools.

Talent  
Investment

Increased tech based focus require experienced, highly sought-after talent.
